PROXY STATEMENT

This proxy statement is furnished in connection with the solicitation of proxies by the Trustees of NORTH EUROPEAN OIL ROYALTY TRUST (the "Trust") to be used at the Annual Meeting of Unit Owners to be held on Tuesday, February 15, 2011 and any adjournment or adjournments thereof for the purposes set forth in the accompanying notice of annual meeting. Only unit owners of record at the close of business on December 30, 2010 will be entitled to vote at such meeting. Proxies properly executed and received in time to be presented at the meeting will be voted as specified in such proxies. If no instructions are specified in such proxies, units of beneficial interest in the Trust ("units") will be voted for Proposals One, Two and Three. The Trustees do not know of any matters, other than as described in the Notice of Annual Meeting of Unit Owners, which are to come before the annual meeting. If any other matters are properly presented at the annual meeting for action, the persons named in the enclosed form of proxy and acting thereunder will have the discretion to vote on such matters in accordance with their best judgment.

Any proxy may be revoked at any time prior to its being exercised by filing with the Managing Trustee, at the address of the Trust above, written notice of such revocation or a duly executed proxy bearing a later date, or by attending and voting in person at the annual meeting. Owners of units registered in the name of a nominee (e.g. units held by brokers in "street name") who wish to vote in person at the annual meeting should contact the nominee to obtain appropriate authority to vote such units at the annual meeting. Attendance at the annual meeting will not in and of itself constitute revocation of a proxy. This proxy statement and the proxy included herewith are being mailed to unit owners on or about January 12, 2011.

The Trust was formed on September 10, 1975, pursuant to a vote of the shareholders of North European Oil Company, a predecessor corporate entity. There were 9,190,590 units of the Trust outstanding on December 30, 2010. This number of units represents all authorized units. Each unit owner is entitled to one vote for each unit he or she holds or represents. Any number of units represented in person or by proxy will constitute a quorum for all purposes at the annual meeting.

The affirmative vote of a majority of units represented in person or by proxy at the annual meeting is required to elect any person a Trustee of the Trust. With regard to the election of Trustees, votes may be

cast in favor or withheld with respect to all or certain nominees. Votes that are withheld will be counted as present for purposes of the election of Trustees and, thus, will have the same effect as a vote “against” such election.

With respect to Proposal Two, the votes that unit owners cast “for” must exceed the votes that unit owners cast “against” to approve the advisory vote on compensation of our Managing Director. With respect to Proposal Three, the frequency of the advisory vote on compensation of our Managing Director receiving the greatest number of votes — every three years, every two years or every one year — will be the frequency that unit owners approve. Because your votes are advisory on these proposals, they will not be binding on the Trustees or the Trust. However, the Trustees and the Compensation Committee of the Trustees of North European Oil Royalty Trust (the “Compensation Committee”) will review the voting results and take them into consideration when making future decisions regarding the Managing Director’s compensation or regarding the frequency of the advisory vote on the Managing Director’s compensation.

In the event of a broker non-vote with respect to any issue coming before the annual meeting, such non-voting units will not be deemed present and entitled to vote as to that issue for purposes of determining the total number of units represented in person or by proxy. A “broker non-vote” occurs if a broker or other nominee who is entitled to vote units on behalf of a record owner has not received instructions with respect to a particular item to be voted on, and the broker or nominee does not otherwise have discretionary authority to vote on that matter. Under the rules of the New York Stock Exchange (the “NYSE”), brokers may vote a client’s proxy in their own discretion on certain items even without instructions from the beneficial owner, but may not vote a client’s proxy without voting instructions on “non-discretionary” items. According to the rules of the NYSE, Proposals One, Two and Three are considered “non-discretionary” items and brokers may not vote your units on any of these proposals in the absence of your specific instructions as to how to vote. Please return your proxy card so your vote can be counted.

The Trustees do not expect that the cost of soliciting proxies will exceed the amount normally expended for a proxy solicitation for an election of directors or trustees and all such costs will be borne by the Trust. In addition to the use of the mail, some proxies may be solicited personally by the Trustees without additional compensation. The Trustees may reimburse persons holding units in their names or in the names of their nominees for their expenses in sending the soliciting materials to their principals.

PROPOSAL ONE: ELECTION OF TRUSTEES

The persons named in the accompanying proxy intend to vote for the election of the five individuals named below to serve until the next annual meeting of unit owners, or until their successors have been duly elected and qualified. All of the nominees are presently serving as Trustees. The Trustees are informed that all nominees are willing to serve, but if any such person shall decline or shall become unable to serve as a Trustee for any reason, votes will be cast instead for a substitute nominee, if any, designated by the present Trustees, or, if none is so designated prior to election, said votes will be cast according to the judgment of the person or persons voting the proxy.

Nominees for Election as Trustees

The following sets forth certain information about the nominees for election as Trustees, including a description of the specific experience, qualifications, attributes or skills that led to the conclusion that, given the nature and structure of the Trust, the named person should serve as a Trustee. For further information, see “--Governance and Nominations--Nominations” below. Other than the Trust itself, none of the corporations or organizations with which the nominees are affiliated is a parent, subsidiary or other affiliate of the Trust.

Mr. Adelman has been involved in the representation of the Trust, as a Trustee since 1987, and of a parallel royalty owner since 1960. Mr. Adelman is a director or trustee of various profit and non-profit companies. He holds a law degree, served as the chief financial officer of a major property holding and development corporation, as chairman and chief executive officer of a mining and road-building corporation, and as director of numerous other enterprises.

Samuel M. Eisenstat, 70, currently serves as the Chief Executive Officer of Abjac Energy Corp., a small, private oil and gas exploration company which he founded. He has served in that position since 1970. Mr. Eisenstat currently serves as a director or trustee of 39 open and closed end funds managed by SunAmerica Asset Management Corp. These funds are part of fund complexes consisting of several SunAmerica fund complexes (comprised of 27 individual funds), the Anchor Series Trust fund complex (comprised of 9 individual funds), and the Sun America Specialty Series fund complex (comprised of 3 individual funds). He has broad corporate governance experience, which includes having served as an independent chair of the mutual fund complexes listed above as well as its audit committee chair. Mr. Eisenstat holds a law degree, a master of laws degree in tax and a master of laws degree with a corporate concentration.

Mr. Kobrin has been a Trustee since 2006. Mr. Kobrin has served as a legal advisor to the Trust since its formation in 1975, both at Cahill Gordon & Reindel LLP and at other law firms. Mr. Kobrin has also served as special counsel to a parallel royalty owner during that time. As a result, he has long and continuous experience with the Trust's organizational model and operations, and with the royalty contractual rights and their enforcement for the Trust and the parallel royalty owner. Additionally, Mr. Kobrin is familiar with the professional representatives and consultants in Germany. He has a law degree and has practiced law for over fifty years, focusing on various corporate, real property and non-profit organization matters.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

There is only one executive officer of the Trust, its Managing Director. The Compensation Committee is responsible for recommending to the Trustees for approval all aspects of the compensation of the Managing Director.

The Trust is a passive fixed investment trust which holds overriding royalty rights, receives income under those rights from certain operating companies, pays its expenses and distributes the remaining net funds to its unit owners. The Trust does not engage in any business or extractive operations of any kind in the areas over which it holds royalty rights and is precluded from engaging in such activities by the Trust Agreement. As a result, the Trust's financial results are determined primarily by factors not within the control of its executive or the Trustees, including energy prices in Europe, currency exchange rates, energy supply contracts and the operating companies' production and sales levels. Given the nature of the Trust and the inability of the Managing Director to affect royalty income, the Compensation Committee believes that the time required and the level of skill with which the Managing Director handles the administrative and financial affairs of the Trust, rather than the Trust's financial results, are the significant factors in determining his compensation. In setting the annual compensation of the Managing Director, the Compensation Committee considers the historic level of compensation paid to the Managing Director and the time required and the level of skill with which he handles the Trust's administrative and financial affairs. In addition, in the case of the current Managing Director (who has served in this role since 1990), the Compensation Committee takes into account the value of his continued performance and knowledge of the Trust, which he has gained over many years. The Compensation Committee will also review the voting results with regard to Proposal Two in this proxy statement, and take the results into consideration when making future decisions regarding the Managing Director's compensation.

Historically, the compensation package for the Managing Director has consisted of a base salary and, on occasion, a cash bonus. No long-term incentive compensation has been paid and, as a result of the format of the Trust, no equity-based compensation can be made available. Lacking a traditional 401-K or its equivalent, in 2007, the Trust established a savings incentive match plan for employees (SIMPLE IRA) that is available to both employees of the Trust, one of whom is the Managing Director. The Trustees have authorized the making of contributions by the Trust to the accounts of employees, on a matching basis, of up to 3% of cash compensation paid to each such employee.

For calendar 2010, the Managing Director's annual total compensation was \$118,450, which included the Trust's matching 3% contribution of \$3,450 to his SIMPLE IRA. For calendar 2011, the Managing Director's annual total compensation is unchanged and remains at \$118,450 and includes the Trust's matching 3% contribution of \$3,450 to his SIMPLE IRA.

The Trust does not maintain any severance or change of control plans or any employment contracts. As a result, the Managing Director is not entitled to receive any severance or other benefits in the case of a termination event or a change of control. The Trust does not have any formal unit ownership requirements or guidelines.

Although the Trust does not engage in any formal benchmarking, as a means of testing its judgment, the Compensation Committee has, from time to time, explored the costs of alternate or substitute performance of the management functions by a corporate service firm or similar entity and found that the fees to be charged by such entities to perform these functions would be more costly to the Trust and the unit owners and probably less effective.

The compensation of the Trustees is primarily set by the Trust Agreement, but the Compensation Committee is responsible for recommending to the Trustees for approval any additional compensation to Trustees for serving in roles such as the Managing Trustee (a non-executive position), a committee chair or the clerk of the Trustees. For these additional roles, the experience gained both during the length of their service with the Trust and their roles and experience outside the Trust as well as the time and responsibility involved in these added roles are considered in setting the additional compensation. See “Trustee Compensation” below. The Compensation Committee has not historically retained any compensation consultants to assist it in this process and has not done so currently.

Report of the Compensation Committee of the Trustees of North European Oil Royalty Trust

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis (which is set forth above) with management. Based on this review and discussions, the Compensation Committee recommended to the Trustees that the Compensation Discussion and Analysis be included in this Proxy Statement.

Trustee Compensation

Set forth below is a table summarizing the compensation earned by the Trustees during fiscal 2010.

| <u>Name of Trustee</u> | <u>Trustee Fees Earned (\$)</u> | <u>All Other Compensation (\$)</u> | <u>Total Compensation (\$)</u> |
|---|---------------------------------|------------------------------------|--------------------------------|
| Robert P. Adelman - Managing Trustee | \$ 75,639 | \$ 0 | \$ 75,639 |
| Samuel M. Eisenstat - Trustee, Audit Committee Chairman | \$ 50,306 | \$ 0 | \$ 50,306 |
| Lawrence A. Kobrin - Trustee, Clerk | \$ 50,306 | \$ 0 | \$ 50,306 |
| Willard B. Taylor - Trustee | \$ 39,306 | \$ 0 | \$ 39,306 |
| Rosalie J. Wolf - Trustee | \$ 39,306 | \$ 0 | \$ 39,306 |

Under the provisions of the Trust Agreement approved by the Delaware Court of Chancery and the shareholders of the Trust's predecessor at the formation of the Trust, each Trustee receives a yearly fee equal to 0.2% of the gross royalties and interest received during the year by the Trust. Based upon this formula, each Trustee earned a fee of \$39,306 and \$57,470 during fiscal 2010 and 2009, respectively. Any compensation for additional services provided to the Trust is recommended by the Compensation Committee for approval by the Trustees with the respective individual not participating. Effective January 1, 2010, the Trustees set the additional compensation for Mr. Adelman for his service as Managing Trustee at an annual calendar rate of \$37,000 (an increase of \$4,000 over the prior rate of \$33,000). Effective May 1, 2008, the Trustees set the additional compensation for Mr. Eisenstat and Mr. Kobrin for their services as the Chairman of the Audit Committee of the Trustees of North European Oil Royalty Trust (the "Audit Committee") and Clerk of the Trustees, respectively, at an annual rate of \$11,000. These supplemental fees remained unchanged for fiscal 2010. The Trustees are also reimbursed for reasonable out-of-pocket expenses incurred in connection with travel and accommodations for meetings of the Trustees and other required services performed on behalf of the Trust. Total reimbursed out-of-pocket expenses for all the Trustees were \$2,602 and \$4,710, for fiscal 2010 and 2009, respectively. The Trustees do not receive, either directly or indirectly, securities or property, retirement or insurance benefits or personal benefits or other similar forms of compensation.

TRANSACTIONS WITH RELATED PERSONS

Transactions with Related Persons

The following transactions, although not necessarily required to be reported in this proxy statement, occurred during fiscal 2010.

John R. Van Kirk, the Managing Director of the Trust, provides office space and office services to the Trust at cost. During fiscal 2010, the Trust reimbursed him a total of \$24,067 for such office space and office services and an additional \$41 for travel expenses. Lawrence A. Kobrin, a Trustee of the Trust, is a Senior Counsel at Cahill Gordon & Reindel LLP, which serves as counsel to the Trust. Mr. Kobrin is no longer a partner of Cahill Gordon & Reindel LLP. For fiscal 2010, the Trust paid Cahill Gordon & Reindel LLP \$97,677 for legal services.

Review, Approval or Ratification of Transactions with Related Persons

The Trustees have adopted a written policy with respect to transactions with related persons (the “Policy”). The Policy is set forth in the Trust’s Code of Conduct and Business Ethics and is available on the Trust’s website at www.neort.com/ethics.html. The Policy provides that any proposed Related Person Transaction (as defined below) be submitted to the Trustees for consideration. In determining whether or not to approve the transaction, the Policy provides that the Trustees shall consider all of the relevant facts and circumstances available to the Trustees, including (if applicable): the benefits to the Trust; the impact on the Related Person’s (as defined below) independence; the availability of other sources for comparable products or services; the terms of the transaction; and the terms available to unrelated third parties or to employees generally. The Policy provides that the Trustees shall approve only those Related Person Transactions that are in, or are not inconsistent with, the best interests of the Trust and its unit owners.

For purposes of the Policy, a “Related Person Transaction” is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which the Trust was, is or will be a participant, and in which any Related Person had, has or will have a direct or indirect material interest.

For purposes of the Policy, a “Related Person” means (1) any person who is, or at any time since the beginning of the Trust’s last fiscal year was, a Trustee or executive officer of the Trust or a nominee to become a Trustee of the Trust; (2) any person who is known to be the beneficial owner of more than 5% of Trust’s units; and (3) any immediate family member of any of the foregoing persons, which means any child, stepchild, parent, stepparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the Trustee, executive officer, nominee or more than 5% beneficial owner, and any person (other than a tenant or employee) sharing the household of such Trustee, executive officer, nominee or more than 5% beneficial owner.

AUDIT COMMITTEE

All of the Trustees, with the exception of Lawrence A. Kobrin, constitute the Audit Committee. The Audit Committee meets the definition of an audit committee set forth in Section 3(a)(58)(A) of the Exchange Act of 1934. All of the members of the Audit Committee are “independent” as that term is defined in the rules of the Securities and Exchange Commission (the “SEC”) and the applicable listing standards of NYSE. The Trustees have determined that both Robert P. Adelman and Rosalie J. Wolf are audit committee financial experts, as the term is defined in the SEC rules. The Audit Committee is chaired by Samuel M. Eisenstat. The Trustees of North European Oil Royalty Trust have adopted a written Charter outlining the duties and responsibilities of the Audit Committee. Mr. Eisenstat serves on the audit committees of several funds managed by Sun America Asset Management Corp. The Trustees have determined that such service by Mr. Eisenstat does not impair his ability to effectively serve on the Trust’s Audit Committee.

Pursuant to the Audit Committee Charter and the requirements of the SEC, the Audit Committee has provided the following report for inclusion in this proxy statement:

Report of the Audit Committee of the Trustees of North European Oil Royalty Trust

The undersigned constitute the members of the Audit Committee. In connection with the proxy statement in which this report appears and the distribution to unit owners of the financial reports for the Trust’s fiscal year ended October 31, 2010, the Audit Committee reports as follows:

1. The Audit Committee has reviewed and discussed the audited financial statements for the Trust for the fiscal year ended October 31, 2010 with the Managing Director of the Trust, constituting its ongoing management.

2. The Audit Committee has discussed with representatives of WeiserMazars LLP, the independent registered public accounting firm of the Trust, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (the “PCAOB”) in Rule 3200T.

3. The Audit Committee has received the written disclosures and the letter from WeiserMazars LLP, the independent registered public accounting firm of the Trust required by applicable requirements of the PCAOB regarding WeiserMazars LLP’s communications with the Audit Committee concerning independence, and has discussed with WeiserMazars LLP their independence.

4. Based on the review and discussions described in this report, the Audit Committee recommended to the Trustees that the audited financial statements be included in the Trust’s Annual Report on Form 10-K for the fiscal year ended October 31, 2010 for filing with the SEC.

Willard B. Taylor

Robert P. Adelman
Rosalie J. Wolf

AUDITOR MATTERS

A representative of WeiserMazars LLP is expected to attend the annual meeting and to be available to respond to appropriate questions from unit owners. The representative from WeiserMazars LLP will also have the opportunity to make a statement at the meeting.

Fees Billed by Independent Auditors

Audit Fees

For the fiscal year ended October 31, 2010, the Trust paid \$57,885 to WeiserMazars LLP for audit services, including the review of the first three fiscal quarters, the year-end audit and the attestation to the sufficiency of the Trust's internal controls. For the fiscal year ended October 31, 2009, the Trust paid \$67,390 to WeiserMazars LLP for audit services.

Audit-Related Fees

No fees for audit-related services were paid in either fiscal 2010 or 2009.

Tax Fees

No fees for tax related services were paid in either fiscal 2010 or 2009.

All Other Fees

At the Trust's direction and as part of its monitoring process, the German accounting firm, GMW Consult GmbH, examined the basis for royalty payments and allowable cost deductions for Mobil Erdgas Erdol GmbH and BEB Erdgas und Erdol GmbH in Germany on a biennial basis. The Trust paid \$33,286 for these services in fiscal 2010. No fees for these services were paid during fiscal 2009. For the fiscal year ended October 31, 2009, the Trust paid \$2,126 to Weiser LLP in conjunction with a review and updating of the Year End Tax Letter for unit owners (which is included in the Trust's Annual Report on Form 10-K).

Pre-Approval Policies

It is the policy of the Audit Committee that all audit and non-audit services provided to the Trust must be pre-approved by the Audit Committee. All of the audit and non-audit services described above were pre-approved by the Audit Committee.

GOVERNANCE AND NOMINATIONS

Trustee Independence

With the exception of Lawrence A. Kobrin, no Trustee has a financial relationship with the Trust other than as Trustee under the terms of the Trust Agreement. Until December 31, 2006, Mr. Kobrin was a partner of the law firm of Cahill Gordon & Reindel LLP in New York, New York, a position he has held since 1984. Cahill Gordon & Reindel LLP has provided legal services to the Trust since that time. Mr. Kobrin is currently a senior counsel to Cahill Gordon & Reindel LLP. The Trustees have determined that all the current Trustees are considered independent according to the rules of the NYSE.

Leadership Structure

The positions of Managing Trustee and Managing Director have been held by separate individuals since 1990. The Managing Trustee and the Managing Director fulfill the roles normally reserved for their corporate equivalents, the Chairman of the Board of Directors and the Chief Executive Officer, respectively. Since 2008, the Managing Director, rather than the Managing Trustees, has fulfilled the role normally reserved for the Chief Executive Officer in recognition of the differences between the two roles.

Risk Oversight

The Trustees have the ultimate oversight responsibility for risk management activities as implemented by the Managing Director. The Audit Committee assists the Trustees with respect to oversight of financial risk, including internal controls. The Managing Director has day to day responsibility with respect to compliance with and execution of the Trust's risk management policies and procedures, including internal controls. The Trustees review with the Managing Director the categories of risk the Trust faces and reviews the implementation of the risk management policies and procedures to assess whether they are being followed and are effective.

Committees

The Trustees have designated a standing Audit Committee and a standing Compensation Committee. Samuel M. Eisenstat serves as the Chairman of both committees. Robert P. Adelman, Willard B. Taylor and Rosalie J. Wolf serve as members of both committees. Lawrence A. Kobrin is a member of the Compensation Committee. The Audit Committee has a charter, but the Compensation Committee does not.

The functions of the Audit Committee include reviewing the internal financial management and control procedures of the Trust, appointing and removing independent auditors for the Trust, and consulting with the auditors. See "Audit Committee." The functions of the Compensation Committee include recommending to the Trustees for approval the compensation of the Managing Director, the compensation of Trustees not covered by the Trust Agreement (i.e. additional compensation to Trustees for serving in roles such as the Managing Trustee, a committee chair or the clerk of the Trustees) and any separate compensation for additional services as the committee deems necessary. See "Executive Compensation."

The Trustees have not created and do not intend to create a Governance Committee or a Nominating Committee. It is the opinion of the Trustees that no such committees are necessary since the Trust Agreement and orders of the Delaware Court of Chancery provide the framework for governance of the Trust. A copy of the Trust Agreement, as amended, is on file with the SEC and is available at the Trust's website, www.neort.com.

Meetings and Attendance

During fiscal 2010, the Trustees met five times. The Trustees, presided over by the Managing Trustee, met in executive session without the Managing Director and had additional communications as needed during fiscal 2010. During fiscal 2010 the Audit Committee and the Compensation Committee each met formally two times, and each had additional informal meetings and communications. All of the Trustees attended 100% of all of the meetings of the Trustees and the meetings of the Audit Committee and the Compensation Committee (if a member thereof) during fiscal 2010. It is the expectation of the Trustees that all of the Trustees attend each Annual Meeting of Unit Owners in person. All of the Trustees attended last year's Annual Meeting.

Code of Conduct and other Documents

The Trustees have created a Code of Conduct and Business Ethics. All the Trustees and the Managing Director have signed the Code of Conduct and Business Ethics. The Code of Conduct and Business Ethics, the Trustees' Regulations and the Trust's Audit Committee Charter are available on the Trust's website, www.neort.com. A copy of any of these documents will be furnished without charge to any unit owner who sends a written request to John R. Van Kirk, P.O. Box 456, Red Bank, NJ 07701.

Nominations

The Trustees have not created and do not intend to create a separate Nominating Committee. The ongoing supervision of the Trust requires continuity of experience and familiarity with its structure. The Trust is precluded from business activities and would not benefit from the rotation of its member Trustees. Rotation of the Trustees would, in the opinion of the Trustees, substantially increase costs and be counter to the best interests of the unit owners. Accordingly, absent the retirement, resignation, incapacity or death of any Trustee, the Trustees have customarily been re-nominated every year.

At such time as a vacancy occurs in the Trustees by reason of retirement, resignation or death of any Trustee, all of the remaining Trustees serve the function of a nominating committee and do so pursuant to the provisions of the Trust Agreement and the orders of the Delaware Court of Chancery.

Any unit owner may at any time communicate in writing with either the Managing Trustee, or the senior Trustee then serving, to make a nomination and such nominee will be considered by the Trustees without differentiation as to the source of the suggestion. In the event of a vacancy among the Trustees, nominees would be sought who had the background, experience and competence in those areas where the former Trustee was proficient. They would include business experience in the extractive industries, experience with royalty trust management and general business and accounting experience. In addition, although the Trust does not have a formal diversity policy, in the event of a vacancy, Trustees would be sought with a broad mix of professional and personal backgrounds in order to best meet the needs of the Trust and the unit owners.

PROPOSAL TWO: ADVISORY VOTE ON COMPENSATION OF THE TRUST'S MANAGING DIRECTOR

Proposal Two seeks an advisory vote on the compensation of the Trust's Managing Director, its only executive officer. Unit owners are urged to read the Compensation Discussion and Analysis section of this proxy statement, which discusses the Trust's executive compensation policies and procedures, and the remainder of the Executive Compensation section of this proxy statement, which contains tabular information and narrative discussion about the compensation of the Managing Director.

As an advisory vote, this proposal is not binding upon the Trust. However, the Compensation Committee, which is responsible for determining and setting the Trust's executive compensation, values the opinions expressed by unit owners in their vote on this proposal, and will consider the outcome of the vote when making future compensation decisions for the Managing Director.

The Trustees ask you to consider and that you vote FOR the following resolution: "Resolved, that the unit owners approve, on an advisory basis, the compensation of the Trust's Managing Director, as disclosed in the Trust's Proxy Statement for the 2011 Annual Meeting of Unit Owners pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Executive Compensation sections of such proxy statement."

PROPOSAL THREE: ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON COMPENSATION OF THE TRUST'S MANAGING DIRECTOR

Proposal Three seeks your input with regard to the frequency of unit owners' future advisory votes on the Trust's executive compensation program. In particular, the Trustees are asking whether the advisory vote should occur every three years, every two years or every year. The Trustees ask that you support a frequency period of every three years (a triennial vote) for future advisory votes on compensation of the Trust's Managing Director. The Trustees believe that, given the simple compensation structure of the Trust and the fact that there is only one executive officer, an advisory vote every three years will be the most effective and appropriate timeframe.

The Trustees ask you to consider and vote FOR the once every three years option in the following resolution: "Resolved, that the option of once every one year, two years, or three years that receives the highest number of votes cast for this resolution will be determined to be the preferred frequency with which the Trust is to hold a unit owners vote to approve the compensation of the Managing Director, as disclosed pursuant to the Securities and Exchange Commission's compensation disclosure rules (which disclosure shall include the Compensation Discussion and Analysis, the Summary Compensation Table, and the other related tables and disclosure)."

OTHER MATTERS

The Trustees are not aware of any other matter to be presented for action at the annual meeting. If any other matter is brought before the meeting, it is the intention of the persons named in the proxy to vote in accordance with their discretion pursuant to the terms of the proxy.

Section 16(a) Beneficial Ownership Reporting Compliance

In accordance with the Securities Exchange Act of 1934 and rules adopted by the SEC, the Trustees, the Managing Director and persons owning more than 10% of the Trust's units (the "Reporting Persons") are required to file reports of ownership of, and changes in ownership of, Trust units with the SEC, the NYSE and the Trust.

Based solely on a review of such forms furnished to it and written representations from certain Reporting Persons the Trust believes that during the fiscal year ended October 31, 2010, all filing requirements applicable to the Reporting Persons have been complied with.

Communications

Any interested party (including any unit owner) may communicate with an individual Trustee, or the Trustees as a group, or with the Audit Committee Chairman in writing. All such communications will be treated in confidence and an appropriate response or action will be taken. Communications to an individual Trustee or the Trustees as a group may be sent to the office of the Trust at P.O. Box 456, Red Bank, NJ 07701 and will be forwarded to them. Communications to the Audit Committee Chairman may also be sent by mail to the office of the Trust, marked "confidential." The Managing Trustee, Managing Director and Audit Committee Chairman can also be reached directly through the Trust's website, www.neort.com via the Contact Form located in the Contact Section of the website.

Form 10-K

The Trust has filed with the SEC an Annual Report on Form 10-K for the fiscal year ended October 31, 2010. A copy of this report will be furnished without charge to any unit owner who sends a written request to John R. Van Kirk, Managing Director, P.O. Box 456, Red Bank, NJ 07701. A copy of the report is also accessible through the Trust's website, www.neort.com.

Any proposals of the unit owners intended to be presented at the 2012 annual meeting must be received by the Trust by September 14, 2011, whether for inclusion in the Trust's proxy statement and form of proxy relating to that meeting or otherwise. Such proposals should be sent to John R. Van Kirk, Managing Director, P.O. Box 456, Red Bank, NJ 07701.
